Minorities in the Contemporary Egyptian Novel Paperback

Minorities and the Writing of History

May 15th, 2020 - This book has demonstrated that minorities in Syria emerged during the Mandate period as a result of the development of the nation-state form as state authority spread across the territory. It bound the population closely together as a single unit under a single set of institutions within fixed borders. For some groups within the population this fixed them in a state structure where they.
